

Independent Age

Questions you can ask canvassers about championing older voices:

- What will you do to make sure every older person has enough income for a decent life?
- How will you reduce the growing numbers of older people living in poverty?
- What are you going to do to address unaffordable and unsuitable housing?
- How will you help older people pay their energy bills?
- I believe in a Commissioner for Older People. Do you?

If you speak to a parliamentary candidate, please take their name and party, and let us know how they answered your questions. You can email us at **campaigns@independentage.org** or post your thoughts to **Campaigns Team, Independent Age, 18 Avonmore Road, London W14 8RR.**
